About the MAT Garage

The MAT Garage is a six level, with four below and two above ground, garage with 975 spaces. It was built in 1975 and is bounded by Trumbull, Church, Chapel, and Main Streets. In 1999, a major renovation project was begun on the garage. Phase II of the renovation project was recently started on the garage.

Since February 1997, the operation of the MAT garage has been contracted out to Connecticut Parking Services. This agreement will expire on February 29th, 2012. The MAT Garage operates at nearly a 100% occupancy rate.
